Q2 Africa team members,

Please see the attached document compiled by RAIO Travel with additional information regarding your trip cancellation, including how to handle vouchering and travel authorizations. **Please review the document carefully as your action is required on several items which have specific due dates.**

In addition, here is some additional information from us on the Desk:

1. If I am currently in possession of your official passport (all of Burundi Team 2 and most of the Tanzania team), I will return it to RAIO Travel. We will retain your completed visa applications in case there is a need for them in the future.
2. We are going to ask you to return any borrowed equipment to our property custodians either by dropping it off in person (if you're local) or by mailing it if you've taken the equipment back to your home duty station already. We'll have more instructions on this soon, so please stand by for a follow-up email.

Let me know if you have any questions or concerns.

Thanks!
Matt

W/ regard to 3(c), I think they are expecting OGC to review?

Both DHS and DOS have complied with Judicial Branch decisions affecting implementation of the Executive Order.

Do you think we need to add something?
